Subject: Questions for Candidates

To: Tay Valley Township (“TVT”) Municipal Election Candidates

The Christie Lake Association Inc. (“CLA”) is writing to you on behalf of the 275 ± Christie Lake property owners who look forward to participating in this Fall’s election. Many of our residents are unable to attend all-candidates meetings or meet the candidates in person, so we would like to give each of you an opportunity to reach out to them and present your campaign directly, through the attached Questionnaire. The questions include issues pertinent to both full time and seasonal residents of waterfront property, who make up a significant portion of your constituency and who have a vested interest in local issues.

If you would like to participate, please review the attached Questionnaire and provide your replies to me with cc to info@christielakeassociation.com no later than September 30, 2018. We would appreciate receiving your reply to each question on the attached Questionnaire immediately below the relevant question. If your answers could be in a coloured font (i.e. other than black), that would be helpful to us. There is no limit to the length of your responses, but keep in mind that we may be collating all responses in a single mailout. On or about October 8, 2018, we intend to circulate all replies received from candidates by September 30, 2018, to all Christie Lake residents on our email distribution list and to other lake associations in Tay Valley Township that wish to receive them. We may not be able to accommodate replies received after September 30. Should Christie Lake residents have follow up inquiries, we hope that you would be willing to receive direct communications from them. **Unless you advise us to the contrary, we shall assume that we have your permission to share your respective email addresses as set out in this email with Christie Lake residents and lake associations representing lakes located, in whole or in part, in Tay Valley Township.**

If you have electronic versions of promotional material that you would like us to forward to those Christie Lake residents on our email distribution list, please send them to me with cc to info@christielakeassociation.com no later than September 30. We shall endeavour to circulate them for you.

Thank you for your participation in our Questionnaire and for your commitment to service in our community! Best of luck in October!

Best regards

Gordon L. Hill
